United States District Judge
United States District Court

Re: United States v. Adis Medunjanin
Criminal Docket No. 10-19 (S-4) (RJD)

Dear Judge Dearie:

The government writes to note one additional matter for the status conference scheduled for tomorrow in the above-referenced case. Specifically, although the government does not anticipate any need to discuss classified information at tomorrow's conference, the government will propose a procedure for giving advance notice to members of the public and the press in the event that the Court finds that courtroom closure or camera proceedings are necessary to permit discussion of classified information at a future pretrial conference or during trial.

1/25/12
In light of today's
brief discussion and the
apparent opposition of the
defense, and, thus, I direct
the gov't to file on public
notice an elaboration
on the
proposal on or before
2/2/12. Any opposition
or general commentary
should be
filed by
2/10/12.
to office
s/ Judge Dearie

Respectfully Submitted,
